

WHOLE FAMILY BURNED TO DEATH

Ten Persons Perish in a New York
Tenement House.

FIRE BROKE OUT AT 3 A. M.

Little Harrison's Entire Family, Ex-
cept the Baby, Found Dead—Baby's
Body May Be Recovered.

New York, June 15.—Fire in a crowd-
ed tenement at 24 Jackson street on the
lower East side, about 3 o'clock this
morning, resulted in the death of nine
persons, of whom the bodies of the
deceased are members of the
family of Louis Harrison, a cigar maker,
and it is thought that the extinction of
the fire has been completed by the
death of an eight months' old baby,
which cannot be found.

The dead are:
Louis Harrison, 40 years old; his wife
Mary, aged 40; their children, Mamie,
aged 15; Albert, aged 15; another son,
aged 10; Margaret, aged 9; Edie, aged 8;
and Emma, aged 4; Daniel, aged 3.
The last of the main tenement, the
house being five stories high. The fire broke
out in the first floor of the rear tenement,
and the whole house was soon
filled with dense smoke. The first body
recovered by the firemen was that of
James Miller, a deaf and dumb man, who
was found in the rear of the house, and
was instantly killed. The body of a
woman, who was found in the rear of the
house, was also instantly killed. The
bodies were taken to Gouverneur
hospital, near by, and identified by
neighbors.

Knives—But the Story Seems

News is brought by steamer of the
battle which occurred on May 26 south of
Vancouver. After seven hours' fighting
the Christians defeated the big knives,
killing seventy of them, and capturing
the remainder. The Christians had
only one killed and six wounded.

The boxers came right on into the
city, where they were left open to
the attack of the Christians. The
boxers were armed with clubs, knives
and other weapons. The Christians
were armed with rifles and shotguns.
The Christians were victorious in the
battle, and the boxers were killed or
captured.

ALUM BAKING POWDERS.

Congress Acting to Suppress Their Sale

The report of the Senate Committee
on Manufactures, upon the subject of
food adulterations and food frauds has
created a sensation in Congress and
awakened great interest throughout
the country.

If there could be published a list of
the names of all articles of food found
by the committee to be adulterated or
made from poisonous ingredients, it
would be of inestimable value to the
public.

The recommendation of the committee,
that the sale of such articles be
prohibited by law, will make
of special interest the following list
of names of baking powders containing
alum sold in this vicinity.

Baking Powders Containing Alum.

K. O. ... Contains Alum
CALUMIN ... Contains Alum
MAINF. by Calumet Baking Powder Co.,
Chicago.

PERFECT ... Contains Alum
MAINF. by Perfect Baking Powder Co.,
St. Louis.

SALTALTA ... Contains Alum
MAINF. by Saltalting Baking Powder Co.,
San Francisco.

HOME ... Contains Alum
MAINF. by Home Baking Powder Co.,
San Francisco.

It is unfortunate that many manu-
facturers of alum baking powders, even
some in the above list, falsely state
that their powders do not contain alum.
It is only right that consumers should
have correct information as to the
character of every article of food of-
fered to them.

IMPROVED SERVICE.

Postmaster Thomas Seares Three
Sub-Stations For Salt Lake.

Postmaster Thomas has returned
from Washington, where he has been
making efforts for the betterment of the
Salt Lake postal service. He suc-
ceeded to such an extent that next year
the force of carriers will be in-
creased by the addition of six mem-
bers. After July 1st there will have
been established three sub-stations, one
at Darlington, another in the district
just north of Liberty park, and the
other near the Union Grand Western
depot. All postoffice business except
the issue of money will be transacted
at these sub-stations. A number of
clerks in the postoffice will also receive
increased salaries.

WITH THE JUSTICES.

A warrant charging Frank Waldon,
a young man who has been collecting
for the New York and Utah Paper com-
pany, with embezzlement, has been
served out by the company before Judge
Nelson. It is thought that Waldon left
town Monday after collecting \$50 be-
longing to the company.

His parents reside in this city, and
they grieve keenly over the young man's
escape. The boy's father has
announced that he will make good
the amount taken from the company
by his son.

NINETY YEARS OLD.

Our old friend W. D. Owen Sr. com-
menced his ninety-first year today. On
Thursday, June 14th, he reached his
good old age of 90 years. He is one of
the stalwart, sturdy and vigorous sort
of Englishmen, and retains his health
and says he is able, without glasses, to
read the Desert News which has been
a source of information and comfort to
him for many years. He is as strong
in the faith today as when the
editor of this paper knew him half a
century ago in London. The Owens are
numerous now in Utah, and the head
of the family is honored by them as a
patriarch in Israel. We wish Brother
Owen many more years of health and
life for as long a period as he desires,
and may his days be as happy as they
are long.

TWO FIREMEN MAY BE TURNED DOWN

Promise of a Lively Time Among
City Councilmen.

BEATTY A NON-PARTISAN.

Couple of Chief Devine's Appointees
Said to be "Off Color,"
Politically.

From the present look of things there
is every indication of an approaching
lively time among the City Councilmen,
when Chief Devine's nine fire department
appointees come up for confirmation.
As stated in yesterday's "News" the
Republican city committee is pro-
nouncedly opposed to two of the ap-
pointees, because of their politics, and
will urge it upon the Republican mem-
bers of the Council to oppose the con-
firmation of any and all Democrats.

Two of the nine men are said by the
Republican city committee to be "off
color," politically, and their names are
Andrew Elkman and George Pugsley.
The latter is a brother-in-law to Mayor
Thompson, but his honor has announced
that he will turn this particular ap-
pointment down, even should it meet
with the approval of the Council. There
are nine Republicans in the Council,
eight of whom will have to vote as a
unit in order to defeat the alleged
Democratic appointees. It is believed
that that number can be depended on
to vote against Messrs Elkman and
Pugsley.

One of the Republican members, how-
ever, in the person of Dr. T. B. Beatty,
declared that he would not vote to re-
ject any appointee simply because that
person happened to be a Democrat.

"It is true," he said, "this is a Re-
publican administration, and I favor
Republicans for all positions where they
are competent. But if a Democrat is
more competent I would vote for the
Democrat. I will endeavor to select
men for city positions on the same
principle that I would follow if selecting
men for the fire department."

Councilman Robertson says he will
stand by Republicans, believing they
were just as efficient for positions as
Democrats. He would cast his vote
against an inefficient Republican.

He did not know the men who had
been named by the chief, but if he
found out they were Democrats he
would not support them.

The appointments should come up
before the Council on Saturday next.
If a Democrat is the more com-
petent man he will stand by him.

portant one in the city, and the ap-
pointment of its members is a matter
of great importance. The Councilmen
will have to decide whether they will
support the appointments of the chief
or oppose them.
